PART I.

GENERAL.

Proceedings of the Chief Commissioner of Coorg, General Department,
21*st March* 1881.

From the Director of Public Instruction, Mysore and Coorg, To the Secretary to the Chief Commissioner of Coorg, No. 3042, dated Bangalore, 20th November 1880.

Referring to paras 5 and 6 of Chief Commissioner's Order No. 659—E. 12 of the 25th August last, I have the honor to forward for the Chief Commissioner's information and orders copy of the Proceedings of the new Committee of the Mercara School Endowment Coffee Plantation, together with copy of the covering letter from the Superintendent of Coorg.

2. It will be seen that since the proposals made by me in May last as to the constitution of the Committee the two Coorgs I nominated have become, with others, lessees of the estate. I inquired of the Superintendent of Coorg whether in his opinion this disqualified them for serving on the Committee, but no objection it is considered exists. Should any difficulty arise on this ground of course these members can be changed.

3. To the vacancy remaining in the Committee for another Coorg, the members propose for the Chief Commissioner's approval the appointment of Biddanda Boppu, pensioned Naib Sheristadar of the 1st Assistant Superintendent's Court.

4. The Committee further lay down the rules of procedure for keeping and auditing the accounts and for the disposal of funds accruing from the estate. It is proposed so submit an annual budget and to empower a Sub-Committee, composed of the President and 2 members, to sanction expenditure up to Rs. 200 within the limits of the passed budget, the expenditure of any larger sum being submitted for sanction of the Chief Commissioner. All bills to be drawn by the Principal of the Central School, and countersigned by the President.

5. The legitimate objects of expenditure are detailed under 10 heads. With the means of control provided by the foregoing rules there seems no opening for the expenditure of money on objects other than those that meet with the approval of the Local Government. It seems therefore unnecessary to particularize any further with the view of drawing up any thing like an exclusive list.

From the Superintendent of Coorg, To the Director of Public Instruction, Mysore and Coorg, No. 575—349, dated 11th November 1880.

With reference to paras 5 and 6 of the Proceedings of the Chief Commissioner and Order thereon dated 25th August 1880, No. 659—E. 12, copy of which was received under cover of your letter dated 30th August 1880, No. 1915, I have the honor to submit for the information of the Chief Commissioner the enclosed copy of Proceedings of a General Meeting of the School Endowment Plantation Committee, held on 2nd November 1880.

Proceedings of a General Meeting of the School Endowment Plantation Committee held at the Coorg Superintendent's Office on 2nd November 1880.

PRESENT.

President.	*Members.*
Lieut.-Colonel H. G. Thomson, Superintendent of Coorg.	The 2nd Assistant Superintendent of Coorg. The Principal of the High School, Mercara. Mr. K. Ganapati. „ C. Iyappa.

Read—

Proceedings of the Chief Commissioner and Order thereon dated 25th August 1880, No. 659-12.

The Committee considers that there is no objection to C. Iyappa and K. Ganapati, two of the lessees of the estate, remaining on the Committee for the present; for the 3rd member the Committee recommend for the Chief Commissioner's approval Biddanda Boppu, pensioned Naib Sheristadar of the 1st Assistant Superintendent's Office.

The Committee propose that there should be half-yearly meetings in January and September.

That the President shall have power to convene other meetings at any time should occasion arise.

That 4 members shall form a quorum.

That the accounts shall be kept by the Principal of the Central School and be audited by the Committee at the half-yearly meetings.

That the budget should be sent in for the Chief Commissioner's sanction through the Director of Public Instruction after the half-yearly meeting in September.

That a Sub-Committee consisting of the President and 2 members shall have power to sanction expenditure within budget limits not exceeding Rs. 200, that the bills for all expenditure shall be drawn by the Principal of the Central School and be countersigned by the President.

Any bill for an amount exceeding Rs. 200 shall be sent for the approval of the Chief Commissioner through the Director of Public Instruction.

That the receipts from the Endowment Plantation shall be utilized for the following purposes :—

(1). The purchase of books for the School Library.

(2). The purchase of philosophical apparatus.

(3). The provision of gymnastic apparatus and the salary of the Instructor in gymnastics.

(4). The purchase of prizes for the students.

(5). The grant of scholarships to deserving students in the Central School.

(6). The improvement of the school ground.

(7). The purchase of furniture and items not granted by Government for the school and boarding houses.

(8). Provision for the teaching of subjects not in the ordinary school curriculum.

(9). The grant of money in cases of emergency to meet the salaries of teachers not on the regular staff, if such teachers should suddenly be required on account of an unexpected increase in the number of scholars or for any similar reason.

(10). Generally the encouragement and help of any measure in connection with education in the Central School, it being at the same time understood that this endowment was not started and is not intended to *take the place* of ordinary Government expenditure but to *supplement* it.

Read—

Docket from Mr. Richter, dated 24th September 1880, No. 687, applying for the return of one of the books of accounts.

The Committee have no objection to any entries in the books being copied if Mr. Richter desires to do so, but consider that the books themselves should be retained.

The original agreement regarding the constitution of the School Endowment Plantation dated 17th October 1863 and the lease of the plantation to Messrs. C. Iyappa, K. Ganapati, C. Chinnappa and B. Appaiya are made over to Mr. C. Subbaiya, Rai-Bahadur, with a request that he will keep them in the Treasury.

(Signed) H. G. Thomson, *President.*
„ E. Marsden.
„ C. Subbaiya.
„ C. Chinnappa for C. Iyappa.
„ K. Ganapati.

From the Superintendent of Coorg, To the Secretary to the Chief Commissioner, General Department, No. 993—291, dated 12th March 1881.

With reference to your letter dated 24th January 1881, No. 1372—40, regarding the financial condition of the School Endowment Plantation Fund, I have the honor to submit copy of letter dated 7th February 1881, No. 138, from the Principal, High School, Mercara, on the subject. The letter has been referred to the Committee and they have recorded their concurrence with the proposals made by Mr. Marsden.

From the Principal, High School, Mercara, To the Superintendent of Coorg, No. 138, dated 7th February 1881.

With reference to letter No. 1372—40, dated 24th January 1881, from the Secretary to the Chief Commissioner asking for certain information regarding the financial condition of the School

Endowment Fund, I have the honor to report that the liabilities of the Fund on the 31st December 1880 amounted to Rs. 4,648—4—6 as follows :—

		Rs.	As.	P.
I.	Due to Messrs. Pierce Leslie & Co., to 31st December 1880.	867	3	8
II.	Original subscription and interest thereon at 5 per cent from 1st January 1870 to 31st December 1880.	2,481	0	10
III.	Loan from the Temple Fund . ..	1,000	0	0
IV.	Loan from School Prize Fund	300	0	0
	Total Rs.	4,648	4	6

The income payable on the 1st of April 1881, being the rent of the estate from the lessees, will be Rs. 3,100. There will be a further charge for interest from 1st January to 31st March 1881 on items I and II of the liabilities as stated above amounting to—

		Rs.	As.	P.
V.	Interest to Messrs. Pierce Leslie & Co., being 10 per cent on Rs. 867—3—8 for 3 months	21	10	10
VI.	Interest to original subscribers being 5 per cent on Rs. 1,613—11—7 for 3 months	20	2	8
	Total	41	13	6

The liabilities of the fund on the 31st of March 1881 will thus amount to Rs. (4,648—4—6) +(41—13—6)= Rs. 4,690—2—0. No interest is paid on the loan from the Temple Fund. Interest at the rate of 10 per cent has hitherto been paid on the School Prize Fund. It amounts to Rs. 30 annually and has been spent on the purchase of prizes for the pupils of the Central School.

I propose that the income of Rs. 3,100 be disposed of as follows :—

		Rs.	As.	P.
I.	Payment to Messrs. Pierce Leslie & Co. of Rs. (867—3—8) +(21—10—10)	= 888	14	6
II.	Payment to original subscribers	2,000	0	0
	Total	2,888	14	6
	Balance	211	1	6

The balance of Rs. 211—1—6 I propose to utilize as follows :—

		Rs.	As.	P.
I.	Purchase of certain chemical apparatus for the Central School	111	1	6
II.	Grant for prizes	50	0	0
III.	Purchase of trees for the school compound ..	50	0	0
	Total	211	1	6

The Madras University has for the current year laid down Chemistry as a necessary subject for Matriculation. There are a few instruments in the school, but there are no chemicals. A few necessary articles might be purchased for about Rs. 100, and the lectures made thereby much more interesting and attractive than they could possibly be without experiments.

The amount provided for prizes for the whole school in the budget is only Rs. 50. This has usually been supplemented by Rs. 30 being the interest on the Prize Fund. I propose the grant of Rs. 50 in lieu of this interest.

Repeated attempts have been made during the last few years to grow some trees in the school compound but with scarcely any success owing to the cattle which have come in at nights and eaten down the young plants. Last year, however, I put down a strong wooden fence round a part of the compound. It has kept out cattle very fairly. In this part of the compound (which includes the garden attached to the Boarding House) I propose this monsoon to put down a number of trees, for the cost of which item III will provide. It is important that the trees should be planted this monsoon, as a whole year will thereby be gained.

No. 1610—E. 39, DATED 21ST MARCH 1881.

ORDER THEREON.—The constitution of the Committee as proposed in the first of the above letters is approved, and will be—

The Superintendent of Coorg, President.

The 2nd Assistant Superintendent, the Principal of the High School and three Coorgs, Members.

The three non-official Members now appointed are—

K. Ganapati.
C. Iyappa, and
Biddanda Boppu.

2. The objects laid down on which the funds of the Plantation Fund may be expended are approved, and the Committee, with the consent of the Chief Commissioner, may add to them.

3. The first consideration however is to free the estate from debt and the Chief Commissioner therefore directs that no expenditure on educational objects shall be incurred until all debts over and above funded capital are repaid.

4. The Principal's letter No. 138, dated 7th February, to the Superintendent shows that these debts amount to Rs. 888—14—6 to Messrs. Pierce Leslie & Co., Rs. 1,000 to the Temple Fund and Rs. 300 to the School Prize Fund, and the year's income is sufficient to pay these, reduce the funded debt by Rs. 700 and apply Rs. 211—1—6 to the educational objects of the fund. This is very satisfactory and the Chief Commissioner approves of the intended expenditure of Rs. 111—1—6 for purchase of chemicals, Rs. 50 for school prizes, and Rs. 50 for trees for the school compound.

5. The next year should open with a funded debt of less than Rs. 2,000 and the income of that year will more than pay it off; after which the whole income from the Plantation may be devoted to the objects for which it was inaugurated, as detailed in the Proceedings of the Committee printed in the preamble.

Letter No. 7661—2024, dated 19th February 1881, to the Judicial Commissioner,

Letter No. 3019—288, dated 16th March 1881, from the Judicial Commissioner.

No. 8648—J. 224, DATED BANGALORE, 21ST MARCH 1881.

ORDER.—The Judicial Commissioner says in para 6 of his letter No. 3019—288, dated 16th March 1881, that he fears there is an impression on the part of taluk officials that they are not bound to obey the processes of the civil courts. The Chief Commissioner hopes that the work of the administration of Civil Justice may be ever carried on with due regard to the necessities of other public duties, but that taluk officials or any other officials are above the process of law and not bound to obey the summonses of civil courts is a notion for which there is no shadow of foundation, and if the Deputy Commissioner has any suspicion of the existence of a misunderstanding under this head, he will issue such orders to all Amildars, for the guidance of their subordinates, as will effectually disabuse their minds of the fallacy.

Proceedings of the Chief Commissioner of Mysore in the General Department, (General),—dated 9th March 1881.

READ—

Letter No. 1133, dated 24th February 1881, from the Inspector General of Prisons in Mysore, forwarding extracts of paras 1, 2 and 3 of No. 120 of the 17th idem from the Superintendent, Bangalore Central Jail, and requesting that the different departments be directed to obtain cotton clothing from the Central Jail for the use of their establishments or peons.

No. 8366—G, 2179, DATED BANGALORE, 9TH MARCH 1881.

ORDER.—The Chief Commissioner presumes that the Inspector General of Prisons has issued the necessary orders on the above communication in regard to clothing of convicts and jail establishments, and he now directs that the cotton cloth required for police clothing and for peons' clothing generally shall always be obtained from the Central Jail, Bangalore, in preference to any other source of supply, whenever the kind of cloth required can be made in that jail. This procedure is of course enjoined on the supposition that the Superintendent of the Jail will see that the cloth issued from the Central Jail is as good as can be got elsewhere, and the Chief Commissioner does not mean to debar officers from going to other jails or other institutions where by doing so a better material than the Central Jail is able to produce can be obtained.
